## FUNDAMENTAL PRINCIPLES WE UPHOLD

The Center for Legislative Advocacy at ADF works with legislators and their staff to advocate for the following fundamental principles in state legislatures and Congress:

**SECURING FREE SPEECH** for all.

**GUARANTEEING THE RIGHT TO LIFE** from conception to natural death.

**RESTORING RELIGIOUS FREEDOM** to its status as a fundamental right.

**ENSURING THE LAW REFLECTS THE TRUTH** about marriage, the family, and human sexuality.

**GUARANTEEING THE FUNDAMENTAL RIGHTS OF PARENTS** to direct the upbringing and education of their children.

### 3. MESSAGING SUPPORT AND TOOLKITS

- Create and provide effective, tested messaging on legislation.
- Provide media training for legislators, ensuring you can answer the toughest questions.
- For certain legislative options, we have information and messaging toolkits, giving you easy access to all the resources you need on these bills.
