

**PETITION TO PLACE INITIATIVE NO. I-183 ON THE ELECTION BALLOT**

Subject to applicable laws and deadlines, if 5% of the voters in each of 34 legislative representative districts sign this petition and the total number of voters signing this petition is 25,468, this initiative will appear on the next general election ballot. If a majority of voters vote for this initiative at that election, it will become law.

We, the undersigned Montana voters, propose that the Secretary of State place the following initiative on the November 6, 2018, general election ballot:

Statement of Purpose and Implication:

I-183 requires government entities to designate a protected facility in a government building or public school for use only by members of one sex, and prohibits persons from using a protected facility other than the facility that is designated for that person's sex. Protected facilities under this proposal include, but are not limited to, locker rooms, changing rooms, restrooms, and shower rooms. This proposal allows a governmental entity to provide an accommodation such as single occupancy facilities upon a person's request due to special circumstances. I-183 also requires governmental entities, including public schools, to ensure that each protected facility provides privacy from persons of the opposite sex and authorizes civil penalties if a governmental entity fails to provide such privacy.

Fiscal Statement:

The State of Montana will spend an estimated \$545,699 in general fund money to comply with the requirements of I-183. The costs are related to the renovation and proper signage for protected facilities owned by the State.

YES on Initiative I-183

NO on Initiative I-183

Voters are urged to read the complete text of the initiative, which appears with this sheet. A signature on this petition is only to put the initiative on the ballot and does not necessarily mean the signer agrees with the initiative.

**WARNING**

Each person is required to sign the person's name and list the person's address or telephone number in substantially the same manner as on the person's voter registration card or the signature will not be counted.
