Background Information on Dr. Tackett & the Engagement Project:

The [Engagement Project](#) is a follow on to Dr. Tackett's previous Biblical worldview teaching, which includes The Truth Project, Cross Examine, Is Genesis History among others. It is a ten-session video-based study (DVD, streaming) designed for home and small group use. Dr. Tackett and his team ask you to consider hosting and facilitating an Engagement Project small group. We have chosen Billings for the training event because of its proximity to many of us in our region.

A Final Word from Dick & Nancy Pence

This will be more than training; this will be the **sharing of a vision**. Nancy and I have followed Dr. Tackett and seen him at other venues for ten years. I can confidently say that Del's perspective and understanding of culture and *how we need to engage* borders on prophetic. This man has a unique calling you can trust.

Dr. Tackett will help us to understand what the men of Issachar *understood* about their times (1Chron.12:32), and how their wisdom and discernment about the issues of the times in which they lived enabled them *to know what to do...or, as Del describes, how to engage?*

If you have questions or feedback, you can email me, Dick Pence, at rapence45@gmail or call or 406-672-9207.

With Appreciation for your Partnership,

Respectfully, Dick Pence – Coordinator

Engagement Project Announcement from Dr. Del Tackett

The long-awaited *Engagement Project* is Dr. Del Tackett's next set of small-group worldview tours. All of his previous teachings (the Truth Project, Cross Examine, Is Genesis History, etc.) were developed with the goal to help believers build a comprehensive, systematic biblical worldview.

And now, with that foundation, we are ready to take the next big step: to know Him more deeply and then **to understand who we truly are, why we are still here, and what God has asked us to do.**

The *Engagement Project's* ten tours will again take us on a marvelous quest of seeking the face of God and, as best as He will allow, to gaze upon the Crown Jewel in His nature—a quest we hope and pray will deeply transform the Body of Christ. This will lead us to understand where we are in God's Meta-Narrative and the incredible vision that **He has entrusted the primary work of the Kingdom to the common, everyday Christian.**

And, if God should so bless and the Body of Christ would simply begin to do what He has asked us to do, we are convinced it will change everything. It will change each of our lives; radically transform our families; and, by God's grace, turn the world around us *right side up*.

Soli Deo Gloria!
