

Engagement Project Training Coming Soon

Regional Event, Billings, Montana – Saturday, June 6th, 2020

Dr. Tackett's team is coming: (Details & Sign up below)

This training is ON and they are coming. If you are interested, please sign up soon, we are at about 80% of capacity. Our venue will facilitate about 200 using distancing guidelines.

We are blessed to be moving forward with this long-awaited Engagement Project. We want to jump-start the use of this great new message and get it going in MT, WY, and SD this summer. **Please don't depend upon signing up last-minute, help us plan well**

Indeed, those words from Esther apply - *We were created for such a time as this*. The Truth Project asked *Why Did Jesus Come*, now we get to lead people in the conversation of *Why Did He Leave?* This will be a whole new look at engaging our neighbor in a Kingdom dialog.

That is the conversation we are inviting you to lead. **Come, catch the vision that Dr. Del Tackett will share** with this new Engagement Project.

Francis Schaeffer said:

We have gotten to where we are because we do not live a comprehensive Christian worldview. We see things in bits and pieces instead of totals.

In the Truth Project, we worked to put the *bits and pieces* together in a comprehensive worldview. During this pandemic, there are lots of bits and unconnected pieces - philosophies that are opposite to a Christian worldview. This Engagement vision will help us, to help our neighbors, make sense of it all and put them back together. Please PRAY for Del and his team and for this event.

If you have registered, thank you. Please assist us by passing this on to those who might also attend. We believe this will be an important work that will promote the Kingdom. There will be options coming if you need to opt out.
